

BOARD PERFORMANCE ASSESSMENT Policy and Procedures

The Company recognizes that in order to sustain good corporate governance within the organization, the same sound culture must be cultivated and sustained from the top. Monitoring of the governance structure and performance of the Board and top management according to their roles is crucial.¹

As Company policy and practice, the Board of Directors ("Board") conducts an annual self-assessment exercise through a self-assessment questionnaire given to each director to ensure the effectiveness of their governance, to reflect on the performance of top management including the President and Chief Executive Officer (CEO), to highlight specific strengths and to identify areas of improvement. The assessment covers appraisal of the Board as a governing unit, of individual directors, of the different Board Committees, as well as of the Management including the President and CEO.

Criteria and Process

The assessment criteria include the structure, efficiency, and effectiveness of the Board, participation and engagement of each member of the Board, contribution of each member director to their respective Committees, and performance of Management. The criteria also reflect the specific duties, responsibilities and accountabilities of each party assessed as provided in the Company By-Laws, Manuals, Charters and governing policies.

Each director shall follow the rating system used in the self-assessment forms:

- E – Excellent
- G – Good
- VS – Very Satisfactory
- S – Satisfactory
- NI – Needs Improvement

A portion of the form is also dedicated to the remarks, additional comments and suggestions that each director is encouraged to fill-up to further enrich the assessment process. For further clarification on this policy and the self-assessment exercise, the Board may address their queries to the Office of the Compliance Officer.

Facilitated by the Chief Compliance Officer, the annual self-assessment form shall be accomplished and signed by each individual director. The Chief Compliance Officer shall collate the accomplished forms thereafter.

The Chief Compliance Officer may amend the self-assessment form as deemed necessary, provided that the same shall be compliant with sound corporate governance standards and practices and applicable law.
