PRESS RELEASE

23 June 2026

Globe Telecom closes Term Loan Facility with BDO Unibank, Inc.

Globe Telecom, Inc. signed a term loan facility of Php 5 billion with BDO Unibank, Inc. The loan shall be used to partially finance the Company's capital expenditures (capex), debt refinancing, and/or general corporate funding requirements.

Globe's cash capex guidance for the full year 2026 is set at under US\$1 billion, reflecting the Company's continued investments to strengthen and future-proof its network, ensuring it remains responsive to evolving connectivity needs and the increasing adoption of digital services.

In line with this commitment, Globe invested Php 12.7 billion in capex during the first three months of 2026, up 51% year-on-year, driven by targeted investments in network expansion and capacity enhancements. Capex represented 30% of service revenues during the period, supporting the Company's improving free cash flow profile while maintaining a prudent balance sheet. Approximately 91% of cash capex was allocated to data-related initiatives, underscoring Globe's continued efforts to expand digital capacity and enhance network quality nationwide.

With focused investments and innovation shaped by consumer needs, Globe continues to strengthen its digital infrastructure, empowering more Filipinos, households, and businesses to succeed in the digital age.
