

## **Globe G Creator Series Grant In Partnership with Purveyr**

**Application Period: November 17, 2023 - January 17, 2024**

**Program Overview:** Commencing November 2023, the Globe G Creator Series Grant, in partnership with Purveyr, aims to provide support to a creative professional who has a demonstrated commitment to community engagement through their artistic or design practice. The residency will materialize either a program, event, installation, or public presentation that is conceptualized by the G Creator and actively engages their chosen collaborators and communities.

### **Residency Details:**

- Residency Period: February 2024 to February 2025
- Winners will receive a grant of PHP100,000 pesos including access to Globe Telecom 12-month Mobile Postpaid plan, and other possible logistics expenses
- Resources: Access to Globe Telecoms and Purveyr staff expertise, including administrative support for organizing community engagement activities.
- Production Costs: Production costs for the culminating project will be covered.
- 5G-Enabled Mobile Phone: Winners will also receive a 5G-enabled mobile phone to support their creative medium

### **Application Requirements:**

1. Video (30 seconds to 1 minute): Create a short video telling us what you do and what inspires your work. This video should give us a glimpse of your creative process and the passion behind your art or design practice. Be concise and engaging!
2. Images of Work Samples (5-10 relevant images): Provide a selection of images showcasing your previous work. These images should represent your creativity, style, and the quality of your artistic or design output.
3. Essay (500 words max): In a written essay, discuss the following points:
  - **Your Artistic or Design Practice:** Introduce us to your art or design practice. What mediums do you work with, and how do you engage with your chosen communities and audiences?
  - **Why You Deserve the Grant:** Explain why you believe you deserve the **G Creator Series Grant**. What makes your work unique and impactful, and how will this grant support your artistic or design journey?
  - **Utilizing the Grant:** Outline your plans for utilizing the grant to take your content to the next level. How will you use the resources and support provided by Globe and Purveyr to enhance your work and community engagement?

**Selection Criteria (In Partnership with Purveyr):** G Creator Series Grant selection criteria include:

- Creativity of Medium Used: Evaluation of the innovative and creative use of mediums in the applicant's artistic or design practice.

- Commitment to Content Creation: Assessment of the applicant's dedication and passion for content creation.
- Sustainability: Consideration of how the applicant's work aligns with sustainability principles and practices.
- Show record or years relevant artistic practice and experience (formal degrees are not required).
- Grant is only available to residents of the Philippines. Residence in Metro Manila, Philippines encouraged but not required. (Specify on airfare or travel or attendance and accommodation)
- Readiness to collaborate with Globe Telecom and Purveyr staff and flexibility to work within a creative environment.
- Availability to engage in a 12-month-long process and meet regularly with community partners, Globe Telecom and Purveyr staff, and other collaborators.
- Creators are not required to be onsite full-time.

**Output:** The culminating project/s of the residency may take place at sites throughout Metro Manila, Philippines.

- Outcomes may include participatory programs, performances, interactive installations, discursive gatherings, events, or installations that respond to community-identified needs or desires. Additionally, resources such as printed materials, audio guides, or written pieces may be developed. The public-facing outcome of this residency is projected to be realized in 2023-2024.

**How to Apply:** Self-nominations for artists will be accepted from September 17, 2023, through November 17, 2023. Creators should submit their video, images, and essay to [gcreator@globe.com.ph](mailto:gcreator@globe.com.ph) as part of their application.

We look forward to learning more about your creative journey and aspirations. Good luck!
